

## #4C-2 Smyrna High School Research on Basketball and Baseball

Joe (Boy) Notes:

10-15-09 Anne Salter recapped her researched notes that she did for me:

**Her notes as it relates to Smyrna High School Annuls for 1940-1946:**

**There were no annual that were produced from the 1940-1946. Even though we didn't enter the War until December 7, 1941, the War was raging in Europe since Hitler invasion of Poland September 1, 1939. Also, Smyrna change in 1946 to 12 grades from 11, so there was no annual for that year either.**

**Mrs. Salter called several people who attended Smyrna during those years, as follows:**

- **From Class 1941, Mrs. Salter called Lucille Gillikin Lewis.**
- **From Class 1942, Mrs. Salter called Betty Piner of Davis.**
- **From Class 1943, Mrs. Salter called Semmie Daniels.**
- **From Class 1944, Mrs. Salter called Gerald Willis.**
- **From Class 1945, Mrs. Salter called Thelma Davis.**
- **There was no Class of 1946 since there shift from 11 to 12 grades.**
- **1947 Annual was produced according to Myron (Pete) Davis of Davis – We have the 1947 in the Sports Documentation.**
