

#50A-1 1965- 1966 WCHS Baseball Team

WC's baseball team skimmed through the season with a record of four wins and twelve losses. Facing stiff competition from the Northeastern 3-A conference, veteran pitcher Ronnie Zubovic pitched the team through all four wins against Kinston, Elizabeth City (two wins), and Roanoke Rapids. At the close of the season, Tom Dixon carried the highest batting average.

A hit and—possibly—a run for WC by Mike McBride.
