Rachel Nelson, Lori Willis, and Sue Anne Lewis concentrate on the game against Richlands. Even though the game was close, Sue Anne still takes time out to give a smile to the camera. All three of the players were recognized at the end of the season. Rachel has a 3.5 GPA or higher while playing the sport. Lori made All Conference, and Sue was the best offensive player.

Top Row: Christy Smith, Kate Hughes, Stephanie Fulcher, Lori Willis, Jodie Daniels, Brooke Willis;
Middle Row: Lauren Rimmer, Laurel Guthrie, Allison Lewis, Kathy Range;
Bottom Row: Cassandra Newkirk, Mandy Fulcher, Sue Anne Lewis, and Rachel Nelson.

Christy Smith tries to miss the ball that almost hits her. She was a very aggressive player for the Mariners. When the ball was thrown short to 1st base, it wasn't unusual to see Christy doing the splits with one foot on base, making an out.

Mandy Fulcher poses for the camera while still in her catchers equipment. She didn't have much playing time during the season but when she played she was an outstanding catcher.
