

Base Base

As the varsity baseball team rounded up their season it was evident that all their hard work and camaraderie paid off in the long run, even though it did not come easy. This year the team was under new coaching of very different styles. The team lost a lot of good players early in the season, but the ones who stuck in there felt the thrill of sweet success. The team placed 1st in regular season, winning the conference championship, won two out of three of their Easter Tournament games and played through the second game in the state playoffs. The school holds no disappointment in our varsity baseball players.

As the last game of the official season becomes climactic, the Swansboro pitches to our batter. Chase Flood hurries to first base in hopes to keep them ahead so the team can stay in first place.

He winds up and the pitch... Chase Flood throws the game's opening pitch against St. Paul's High School in the first game of the playoffs. With the great pitching he did, he helped win the game for ECHS, sending them to Green Central to further their playoff placement.
