

#5A

June 6, 2005 Joel Hancock with his nine (9) Grand Kids

Monday

Susan arrived at home this afternoon with Leah and her boys, including two-week old "Brady Joel Steelman". For the first time I had all nine of the babies at my house at the same time ---- so I decided to let them sit on my lap as we ate supper.

Thought you might appreciate how much I enjoyed the moment.

Joel H.
