The girls had a great season this year. They did not make it to Raleigh but Laurel Guthrie said, "The girls have a great chance of going to Raleigh next year." The team worked hard together and accomplished many of their goals together. Everyone is going to miss playing with their other teammates. The girls had a great year and everyone did their best. They ended up 1st in the conference. They were 21-2 Overall.

"I was standing on the plate and when the other girl hit the ball I just knew I had it. I got her out and it was our last play for the night. This season has been very enjoyable and I am going to miss the team all together," said Melissa Willis.

"I will definitely miss playing next year and I wish we could have gone further but the team next year has a chance," said team member Brooke Willis.
