Down, Set, Hike!" Tevin Godette hikes the ball to quarterback T.J. Courman to start a new play. It was successful and helped them score some useful points. It made Coach Conway and the rest of the team "very proud."

T.J. Courman successfully hands the ball off to Sterling Walls. He and the rest of the team thought they could have done better this season. T.J. stated, "I think we all have a lot of growing up to do before next season."

Michael Archer, Chris Price, and Tevin Godette cheer their teammates on to do their best. Freshman Andrew Courman stated, "We worked hard as a team but individually we all could have tried harder during practice."
