Morehead City High Club Loses to Newport Friday

Morehead City's high baseball team concluded their season Friday in a game with Newport which Newport won, 6-4.

Though its final game was lost, the local team managed to end the season with a better than 500 percentage of won games. The final tally showed eight games won and seven lost. In view of the lack of veterans on the team, this record was excellent, Coach Gannon Talbert stated.

Only three seniors, Bobby Bell, Berl Ray Lewis and Harry Willis, were lost at the season's end and Coach Talbert says he believes next year's team will be outstanding. Most of this year's team was composed of freshmen who profited greatly from their one season's experience.
