

Varsity Boy's Basketball

The boys started off this year with high hopes for their season. Although there were many games the boys wanted to give up and take it home, they stuck through and played their best. There was not one game that the boys didn't play their hearts out. Through all the stitches, cuts, bruises and sore muscles, the boys have truly improved and played to the best of their abilities. With 9 returning players, the boys hope for a better season next year.

Back row: Cory Long, Jordan Willis, Walker Styron, Christian Lewis, DeAngelo Stewart, and Jonathan Fisher. Front row: Stephen Vann, Nic Baker, Jonathan Thompson, Willie Stark, Todd Dunbar, and Erick Willis. Head Coach: Billy Anderson. Assistant Coaches: Branco Holmes and Alton Hill
