Under a new headcoach, Ron Huffman, the 1984 season proved to be a learning and rewarding season. The coach, coming from Carolina, taught the team many new things which would pay off during the season. Beating East Carteret once, for the first time in five years, Havelock twice, and White Oak once, for only the second time in the schools history were a few of the payoffs. Finishing third in the conference equals the highest while the conference record was 5-5.
