

# It's No Strikeout!

The new coaches, Mark Cockrell and Sam Hales, provided a new dimension in West Carteret's baseball team this year. The varsity proved to be an outstanding team ending the season with an overall 8-13 record. As a young team, JV ended with a record of 3-11, showing much improvement throughout the season. Losing only one senior, West Carteret's Varsity baseball team assures a promising future with much experience.
