

Varsity Women

The West Carteret High School women's basketball team had a good season with an overall record of 8-12, and a conference record of 7-5 which gave the lady Patriots a second place finish. They went into post season tournament with high hopes. The first opponent was North Lenoir, a team that the ladies had defeated twice during the regular season. The attempt to defeat North Lenoir for the third consecutive time proved to be a failure. The lady Patriots returned home after losing by three points, 51-48; however the season was not over. Their regular season finish in the conference gave them an automatic berth into the state play-offs. The ladies were able to play the first game at home. Coach Phyllis Willis was nervous before the game; she is a real competitor and had high hopes of advancing to the second round. Her wish was not fulfilled. The ladies lost by twelve, 57-45, in a great effort to succeed. Considering the fact that two starting players, Christine Stanfield and Ieschecia Graham had injuries during the last part of the season, the lady Patriots did have a good season which ended with a game in the state play-offs.
