

This year the women's softball team had it's second winning season in a row. With an overall record of 12-8 and a 6-6 conference record, the Lady Patriots finished third in the coastal 3-A conference.

This year's team was loaded with underclassmen, and showed great improvement with each and every game. Next year seems to promise an even better season, with all of the starters and subs returning.

Diamonds Are A Girl's Best Friend

All players will be returning for play next year.
