Girls Go To State

The Patriot Softball team was very strong this year. They were a favorite for the Coastal 3A Conference since early in the season even with a lack of practice time. Coach Willis felt that the team was very well balanced. Three All-Conference players from last year included: Mandy McBride, Allison Kemp, and Julie Penrow led the team. Other starting players were Anna Stafford, Debbie Knight, Shammara Henderson, and Heather Starke. The conference record was 16-5. The team won at South Johnston to advance to the State 3A Playoffs.
