

#81A-2 1996 WCHS Boys Basketball

Best Season In Five Years

The team had it's best season in five years and ended the season with a 10-14 record. The Patriots finished sixth in the conference with a 3-9 record. Seniors led the Patriots through the year. Theo Gibson led the team in scoring as well as rebounding. Calvin Crooms' aggressive plays, Shane Hester's defense, Jon Bell and Wesley Mister's shooting and Shaun Lynch's spark off the bench helped the Patriots greatly. The season's highlight was winning the Christmas Tournament for the first time ever and beating East Carteret three times. Next year's team should be very successful. They shall bring more quickness than teams in the past.
