With a season record of 9-11 the Varsity Baseball team had some good games. Being a young team, the players, as well as Coach Emmons, are hoping to have a winning team next year. "This year was a rebuilding year plus we have a really young team," says Coach Emmons. Their conference record was 2-10. At the Spring banquet the following awards were given: Coaches Award, Brad Turner Best Offensive Player, Jean-Paul Foisy and Best Defensive Player Matt Filzen.
