The boys varsity basketball team doubled their wins from last year with a record of 10-14. Coach McClanahan said their biggest win was against Eastern Wayne in the first round of the conference tournament. Not only did they win, but it is the first time West has ever defeated Eastern Wayne in the school's history. At the Winter Sports Banquet, Ralph Berry was named the Best All-Around player, Dennis Chapman received the Most Outstanding Award, Matt Pouk won the Coaches Award, and Chris Parmley was given the Sportsmanship Award. In addition, Ralph Berry and Matt Pouk earned All-Conference honors.
