

Varsity Boys Basketball

In your face!

Boy, What A Season!

Only a few seconds remain on the clock and the Patriots are down by one. With all the tension, pressure, and suspense in the air, Chris Parmley manages to get the ball. He begins his journey down what seems like an endless court and Southern Wayne doesn't let up on the defense. As the buzzer sounds, a foul is called on Parmley. He is given two foul shots and steps up to the line with all eyes on him. The first one goes in, the score is tied, and the game rides on this last shot. He shoots, the ball

swishes, and the Patriots win the game. Even though every game may not have been this tense, the boys finished 5th in the conference and were runners up in the Christmas Tournament hosted at Lenoir Community College. Ariana Nelson kept score and Tonya Williams caught all the moves as the team's videographer. The coaches agree that the 2001-2002 team looks promising with six returning varsity players and a strong junior varsity to pull from.
