The Patriots started the season 3-0 before the loss of three talented players and various injuries depleted the bench. Still the team kept their heads up and fought through the adversity. A highlight of the season came when West upset Kinston, who was in first place at the time, at home 54-52. Coach McClanahan said, "We look forward to a good group coming back from our varsity. The JV team, who were 15-5, will be sending us some talented players as well. The future looks to be bright for the Patriots next season on the hardwood!"

Freshman Johnny Thomas' extra effort keeps the Patriots alive!

Whose house? West's house!!!

The team is welcomed by their faithful fans, the cheerleaders.
