Hi Joe,

I just cannot express how thrilled I was with your exhibit and celebration last Saturday. What a wonderful job you have done and we were delighted to be there. Finally a writeup and pictures in yesterday's paper but there should be more! I certainly hope you can keep the exhibits permanent because it is one of the finest I have seen.

Wish I could have been more help but do appreciate so much all you said and displayed about daddy and all the Hassells. I plan to take my husband down to see it, and I am sure Pud and Kent would like to go also.

I thought I read something about a Baseball Museum being built in Wilson but we need our own!

Again, thank you so much for doing this for Carteret County. The interest and talent doesn't seem to be comparable now days so maybe this would bring it all back.

Best regards,
Ginny Poindexter
