SMYRNA HIGH SCHOOL Continue their winning Streak

Friday,-March 10. The Smyrna High School Girls Win Basket Ball Game

The Smyrna High School Girls continued their winning streak Friday night by defeating the strong Jasper High in both ends of a double header in Smyrna's gymnasium.

The Smyrna girls won the first contest by the close score of 25 to 22 while the Smyrna boys won 30 to 15. Smyrna girls started strong leading 17 to 8 at the half. Then it seemingly was Jasper's turn and how they played. Each of the Jasper forwards found the basket consistently during this period. But the passing of the Smyrna guards and phenomenal shooting of Captain Wade would not be denied. This slim tall girl found the basket for ten field goals and three free tosses resulting in the high score of 23 points. H. Smith's guarding for Smyrna was good.

Then following the boys game which was a close hard fought affair all during the half. The score at the intermission was tied at 11 all. Lucky or unlucky! Apparently someone tipped off the Jasper boys for they surely guarded Brown closely. But this helped Davis get loose and the big fellow played his best game scoring 18 points during the contest. Smyrna's defense clicked during the last half holding the Jasper boys to a lone goal.

There was pretty guarding done by the five, particularly Nelson. Jasper had a rangy and fast passing team that threaten often but were held in check by the home team. Smyrna tallied 17 points during the last half.
