TRUE BLUE WHAT?

The 1997 Varsity Football Team put forth great effort both on and off the field. Their record was 6 and 5 and they won the Mullet Bucket for the third year in a row.

When asking Coach Frazier to comment on the boys he said, "I had a very enjoyable season coaching these young men. They were the best group I've coached in a long time."

He also commented that several players have an exceptional talent for playing the game. He is very proud of senior, Levar Fisher, who will play in the East-West All Star game and continue his career at North Carolina State University. Coach Frazier looks back on the past year as being a successful one and he looks forward to years to come.
